

## WORKSHOPS

We are a design studio and teaching platform for creative workshops. Our main goal is to help people explore their creative potential, we do this by building knowledge, developing skills and exploring creative ideas through making. Our artist-led courses are unique; every participant leaves with a high quality product, something our attendees are proud to display in their homes. We love to bring people together through fun creative experiences. We can cater for any age ability or size group. We can tailor our classes specifically to each company so please reach out with any requirements, we are always happy to accommodate.
